16th September 2021

Dear Parent/Carer,

Re: Year 11 Intervention Letter

I am writing to inform you that after school sessions for yr 11 students will commence on Monday 20th September. After school intervention sessions will run from 3:15pm – 4:15pm in school, with certain subject(s) running each day. Your child will be informed on Monday 20th September which sessions they will be required to attend, however there will be a science session for all students on Monday 20th September. We will take a register at the session, should you wish to check your child's attendance. Students will either be expected to make their way to the venue/classroom. Should you not wish your child to attend a particular session, please let your child's House know. If, for any reason, we have to cancel a session, we will inform you by text message.

Please note, not all sessions are for every student. Several sessions are targeted at certain students on certain topics or levels. These sessions will change throughout the year. **These sessions are in addition to home learning and revision, which every student should be completing outside of the school day at home.**

Please discuss with your child the sessions they will need to attend and support their achievement this year by stressing the importance of their engagement and attendance, just as we will in school. All our teaching staff are dedicated and committed to doing all we can to ensure students achieve the best they can in the exams next summer. This crucial year always seems to go faster than we anticipate, and it is more important than ever to begin our exam preparation as soon as possible.

Thank you for your continued support,

Yours faithfully,

E. Wilson

Mrs E Wilson
Deputy Headteacher
